SeniorHangouts

Yesterday at the committee meeting we learned of a new service from the Federation – SeniorHangouts. This is a daily 30 minute presentation by a SeniorNet member via Zoom.(Monday to Friday). There is a good description on <https://forms.gle/bHa1t7GfVcZY2Wy17>

Last weeks presentations were on SNAP (the SeniorNet Administration programme), backups, Image editing Apps, hearing concepts, and how to solve “user” lockouts on your laptop/desktop.

These presentations are recorded and saved to a database.

You will probably need to have registered through the above website to access these historical talks.

When you register as above you will receive a weekly list of proposed talks. There is also an option to present a 30 minute talk at

<https://calendly.com/seniorhangouts/seniorhangouts-10am-session>

Registration to attend any of these presentations can contribute to the club's learning hours contribution.

Stand alone mobile and tablet applications for Android and iOS platforms are being developed and set to go live on 1 June.

[Camera and Photo Workshop Group](#)

At the March meeting we saw some interesting landscapes. We also watched a video about ways to photograph reflections using a mobile phone. This will be the subject of a future meeting. Weather and lockdown permitting, we will meet at the Botanical Gardens to work on the April subject "Autumn". This meeting is not yet set in stone, so please wait for confirmation, either by mailchimp or a special newsletter before setting off. This will be on Thursday April 15th.

[Genealogy Group](#)

The Genealogy Group met on Zoom last month. We investigate different websites for historical information about our ancestors. The April meeting should be back to normal and will be on Tuesday April 6th at 1.00pm.

[Tuesday Tutorials](#)

These tutorials are offered each Tuesday from 10am to 12 noon. Please bring any questions you may have to these sessions. Bring your laptop or tablet if you use one.

[Apple Mac Group](#)

Whether you are a new user, beginner or advanced you are welcome to attend our group and share your Mac experience. Also, for Ipad users to learn new skills and more uses for your device. We meet on 1st, 3rd & 4th Thursdays of each month, 9am to 11.30am at the Learning Centre. We will discuss items of interest from the information sent to us by John. For further information contact John Rose; <jlrose@ix.net.nz>
